New!

Fast Media™

Fast Media™ puts many system features at your fingertips.

The features you want, already included

SRS® 3-D Amphitheater Stereo™

- Patented circuitry delivers dimensional sound quality to your software, games and audio CDs*
- 16-bit sound card, MIDI capable, SoundBlaster® compatible
- Amplified speakers (included) mount to Packard Bell monitor

Total Communications

- **Full-Duplex Speakerphone:** For "hands-free" conferencing
- Talk and listen at the same time, just like handheld telephones
- Echo cancellation eliminates feedback
- Automatic volume control lets you walk around and talk
- Hold, mute and flash buttons
- Includes microphone and stand
- **Telephone Answering System:** Automatically answers phone, greets callers with your voice
- Saves messages in password-protected "voice mailboxes"
- Retrieve messages from any touch-tone phone

- Ten-number speed dialing
- Automatically notifies your pager or remote fax of new messages and faxes
- Lets you record conversations to disk, and screen incoming calls
- **Fax System:** Sends and receives at up to 14.4 Kbps
- Send faxes from any Windows™ application (Includes FaxWorks™)
- **Modem:** Explore the Internet at speeds up to 14.4 Kbps

Fast Media™ keyboard access

- Quick way to play CDs, check your phone messages and more
- Always available, no matter what part of Windows® you're using

MPEG1: Full motion video

- Plays Windows®-based Video CDs, and CD-i™ full-length movies
- Enjoy lifelike Windows®-based MPEG1 games, like *Silent Steel*

Over \$1,400 in software

Business and Productivity

Microsoft® Works, Multimedia Edition
Word processing, spreadsheet, database, communications and graphics. Built-in "wizards" design documents for you.

FaxWorks™ turns your computer into a fax machine, with a phone directory, cover sheets and more. (fax-equipped systems only)

PRODIGY™ Service Membership Kit Now with expanded Internet access, including World Wide Web! Includes ten FREE hours! (modem-equipped systems only)

Microsoft® Money lets you balance your budget, plan for retirement, even (with a modem) pay bills directly from your computer.

Action!™ Build multimedia presentations that get noticed. Also comes with *ClipMedia*, a CD full of sound, graphics and animation files.

Microsoft® Productivity Pack for Windows New to Microsoft Windows? Productivity Pack teaches you everything you need to know to be a Windows pro.

Family "Edutainment"

3-D Body Adventure™ lets you explore the world inside you. Fly right through the skeleton, heart, brain and more. *A Packard Bell exclusive!*

Undersea Adventure™ Dive into this "virtual aquarium," and learn hundreds of facts about the sea and its creatures.

Speed™ The ultimate moving experience. A multimedia history of why we love to go fast.

Also includes Microsoft® Windows™ Multimedia Pack, Packard Bell

Pre-installed and ready to run

3-D Dinosaur Adventure™ brings you face-to-face with fearsome creatures from the pre-historic past. Includes 3-D glasses.

Kid's Zoo™ is a "baby animal adventure" kids love. It's the perfect introduction to multimedia for young children.

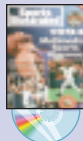

Space Adventure™ Blast off on a mission into space travel's past and future.

Reference and Learning

The New Grolier Multimedia Encyclopedia™
Over 33,000 articles, 3,000 illustrations and hundreds of historic sound and video clips.

Sports Illustrated® Multimedia Sports Almanac
Look up decades of sports records, read articles and photos, see film highlights of the past year in sports.

Mindscape® World Atlas See maps, pictures, statistics, even video clips from exotic locations around the globe.

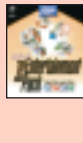

Mindscape® U.S. Atlas
View hundreds of maps and charts about the U.S. The ideal companion for both school and business.

Entertainment

MegaRace™ Pick your death-dealing dream machine and enter the speedway of the future, where only the swift survive.

Best of Microsoft® Entertainment Pack for Packard Bell. Take a fun break with these eight Windows games chosen just for Packard Bell.

Navigator: Only from Packard Bell

Virtual Remote Control puts all the multimedia and telephone functions in one convenient place.

Packard Bell Navigator turns your computer into a "virtual workplace," where everything's easy to find.

Easy to set up, in just minutes

Color-coded connectors make it a snap to put together. And the illustrated setup guide shows you what to do.

Backed By Packard Bell

Your new Packard Bell computer is built to last, and that's why it's backed by one of the most comprehensive support packages in the business, including:

- One year limited warranty
- Free hardware technical support by phone 24 hours a day, seven days a week
- One year on-site service in your home or office
- Support available via Prodigy® & CompuServe®
